Dear President Mateja Kregar Gliha,

On behalf of the Executive Board of the World Federation of Tourist Guide Associations and its members we would like to welcome you to the international family of tourist guides associations. We are all very happy that you have chosen to join WFTGA this year.

As you know, WFTGA is the only international organisation representing tourist guides around the world. It is through our strength in numbers, our common goals and aims that we can represent tourist guides' interests to our industry partners. Therefore it is of utmost importance that you send delegates who are active tourist guides to the General Assembly of our conventions. As a member country you may offer a bid to host our biennial convention, and send eligible persons to stand for election to our volunteer Executive Board.

Please ensure that you send us your regular newsletters so that the WFTGA Board is updated on your activities, also so that we may put your news in our internet magazine "Guidelines Internation@I" and our website www.wftga.org

We ask, in your own interest, that your correct website address is hyperlinked to the WFTGA website, so tourism partners searching for guides worldwide will have direct access to your association and find your members.

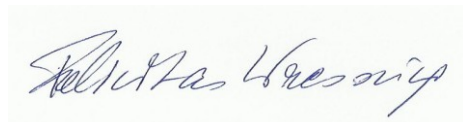

Please ensure that you inform your members in your newsletters, of the benefits to them through the Cultour Card Programme and to help build a larger circle of acceptance, including in your area. With their local tourist guide identification and the Cultour Card, our members have access to many museums at reduced rates or no charge. The programme continues to grow, thus we suggest you refer regularly to our website for the new Cultour Card partners. We ask you to help find those in your region who would become Cultour partners. Please confirm how many Cultour Cards you require.

Please also remind your members of the **WFTGA 17th Convention to be held in Tehran IR, Iran in 2017**. Full details are posted on our website.

Please also remind them to participate on Facebook and how to use the official logo of WFTGA (see attached instruction).

Do not hesitate to contact us should you have any question.

On behalf of the Executive Board and the Area Representative, we wish you the best of luck and a great season!
